IV. AI GEMINI DEEP ANALYSIS & MANDATORY LEGAL CITATIONS

Finding #1 (Severity: Informational) — Inspection Interval Compliant

Interval between Lab Sample collection (05/08/2026) and Phytosanitary Certificate issuance (08/08/2026) is 3 days, strictly within the GACC compliant boundary (< 7 days).

Legal Citation: *Section 4, Protocol on Phytosanitary Requirements for Export of Fresh Durians from Vietnam to China (MARD/GACC 2022).*

Finding #2 (Severity: Medium) — Mandatory GACC Chinese Labeling Action Required

Outer crates currently lack the required supplementary Chinese text containing the approved PUC & PHC codes.

Legal Citation: *Article 8, GACC Decree No. 248/2021/GACC & MARD Circular No. 24/2022/TT-BNNPTNT.*

Mandatory Remediation Action: Affix supplementary Chinese sticker: “**■■■■■■■■■■ — PUC: VN-WBPH-0125, PHC: VN-DBPH-088**” to all 925 crates prior to customs seal.
